Health, Safety & Environment Policy

Safe Workplace

We are committed to providing a safe and healthy working environment for all employees, visitors and stakeholders.

Risk Prevention

We identify, assess and minimize health and safety risks through safe working practices, proper training and continual improvement.

Safe Practices

We follow safe operating procedures and use appropriate personal protective equipment (PPE) at all times.

Environmental Responsibility

We are committed to minimizing our environmental impact through responsible use of resources, waste reduction and pollution prevention.

Legal Compliance

We comply with all applicable health, safety and environmental laws, regulations and other requirements.

Continuous Improvement

We regularly review our HSE performance and take necessary actions to improve our systems and practices.

Employee Responsibility

We are all responsible for following this policy, reporting unsafe conditions and contributing to a safe, healthy and sustainable workplace.
